The tropical bivalves are not so good as those of temperate regions, and I believe this is the general testimony of travellers. "The market is well supplied with chickens, turkeys, pigeons, and ducks, which are nearly always sold alive, as the heat of the climate prevents their being kept more than a few hours after slaughtering.

The Bear and the Two Travelers Two boys were making their way through the forest. They were taking a short cut to get to school. Out of nowhere, they spotted a bear that looked hunger as could be. The first boy immediately climbed a tree as high as he could. The second boy hid by laying flat on the ground, just out of sight. The bear was ...
