

the business side of pdf

The business side of medicine You worked your way through med school. You learned all you could throughout residency. Most of you have expanded your clinical and professional experience by doing locums and sessional work. Now is the time for you to focus on what you want from a practice and learn how to get it. What are your next steps?

The Business Side of Phil

Putting so called –public goods–™ and –free rider–™ issues to one side, business models are quite simply redundant because producers/suppliers can create and capture value simply through disposing their output at competitive market prices. Such models clearly assume away the essential business design issues that are the subject of this ...
