The Cambridge Illustrated History of China provides an excellent introduction to the study of China and Chinese civilization. It offers a straightforward, yet complex, account of historical events and issues that is well supported and augmented by the supplementary special-topic sections and illustrations. More ad-

The Cambridge Illustrated History of China (review)

This is a truly helpful and stimulating introduction to Chinese History, an ideal companion volume to more structured, non-illustrated histories: clear, highly explanatory maps; excellent choice of images and visual

documents that bring to life China's bygone ages.

The Cambridge Illustrated History of Medicine looks like a coffee table book and is marketed as such. Not surprisingly, it makes system use of art and anecdotal use of statistics. I am somewhat embarrassed to admit that it was entirely appropriate for a person such as myself having a very modest knowledge of the history or medicine.
