

**the cooks encyclopedia of pdf**

A farl is any of various quadrant-shaped flatbreads and cakes, traditionally made by cutting a round into four pieces. In Ulster, the term generally refers to soda bread (soda farls) and, less commonly, potato bread (potato farls), which are also ingredients of an Ulster Fry.. It is made as farls (that is to say, flat rounds about 3/4 inch thick which are then cut into quarters).

**Farl - Wikipedia**

Early life. Conant was born in Waterbury, Connecticut. He is of Italian descent on his mother's side. He began cooking at a young age, taking cooking classes at the local community college at age 11.
