

the electronic reporter broadcast pdf

Electronic news-gathering (ENG) is when reporters and editors make use of electronic video and audio technologies in order to gather and present news. ENG can involve anything from a single reporter with a single professional video camera, to an entire television crew taking a truck on location.

Electronic news-gathering - Wikipedia

Roles. A reporter is a type of journalist who researches, writes, and reports on information in order to present in sources, conduct interviews, engage in research, and make reports. The information-gathering part of a journalist's job is sometimes called reporting, in contrast to the production part of the job such as writing articles. Reporters may split their time between working in a ...
