Americana is a collective term for artifacts related to the history, geography, folklore and cultural heritage of the United States of America. It is generally defined as any collection of materials and things concerning or characteristic of the United States or of the American people; in its broadest sense, Americana is representative or even stereotypical of American culture as a whole.

Americana - Wikipedia

An encyclopedia or encyclopædia is a reference work or compendium providing summaries of knowledge from either all branches or from a particular field or discipline. Encyclopedias are divided into articles or entries that are often arranged alphabetically by article name and sometimes by thematic categories. Encyclopedia entries are longer and more detailed than those in most dictionaries.
