What if he submitted his life to the force so that the force may create a new life. What if his disappearance was planned so that at the right time a new "chosen one" would born of the force, just like Anakin, to truly bring balance to the galaxy, and that person is Rey.

My theory: Rey is born of the force and does not have a

PROSPERITY THROUGH THOUGHT-FORCE By Bruce MacLelland AUTHORâ€™MS FOREWORD Less than three years ago I was a poor bookkeeper earning one thousand dollars per year in a city where living on that amount was possible only by the strictest economy. My personality was buried in a sea of worry, anger, suspicion and hatred.

The Social Contract Jean-Jacques Rousseau 13. The right of the strongest is not voluntarily, and the family itself is then maintained only by agreement. This common liberty is an upshot of the nature of man. His first law is to provide for his own preservation, his first

The Social Contract

1. Force is associated with the body till it is in motion. 2. When a body is at rest the force acting on it is zero. 3. Force is always in the same direction as the velocity of the body. 4. If the velocity is changing then the force is also changing. 5. Centripetal force and centrifugal force both act on the body moving uniformly in a circle. 6.

The Force is a metaphysical and ubiquitous power in the Star Wars fictional universe. It is wielded by characters throughout the franchise: heroes like the Jedi use the "light side" of the Force, while the Sith and other villains exploit the "dark side". The Force has been compared to aspects of several world religions, and the phrase "May the Force be with you" has become part of the popular ...
