"Lap slide guitar" does not refer a specific instrument, but refers to a style of playing guitar with the instrument resting on the performer's lap or otherwise supported, and the term usually indicates blues or rock music.

Slide guitar - Wikipedia

An eight-string guitar is a guitar with two more strings than the usual six, or one more than the Russian guitar's seven. Eight-string guitars are less common than six and seven-string guitars, but they are used by a few classical, jazz, and metal guitarists. The eight-string guitar allows a wider range, or non-standard tunings (such as major-thirds tuning), or both.
